

WCLUB Mallorca collaboration with JoyRon Foundation

[WCLUB](#) Mallorca is proud to announce the collaboration with the JoyRon Foundation. Helping children in need on the Balearic Islands has been the goal of the JoyRon Foundation, founded by Josephine and Ron Hawes in 2015. This was also the reason for a first collaboration of the [WCLUB](#) at the JoyRon Michelin Star Charity Dinner in April 2022, which raised the sum of 42.000 €.

There are many ways to help children in need. Be it a private donation, a company sponsorship or a commitment with a volunteer to help practically. Everyone is called upon to help the children in need who cannot help themselves.

The [WCLUB](#) wants to continue and strengthen this collaboration, also by integrating it into its own WCLUB Events & Tournaments. To promote and support the [JoyRon Foundation](#) there will be used various campaigns and events.

A highlight of the collaboration in 2022 will be the WCLUB CEO Cup on 10th September. A special golf event at the Son Gual Golf Club followed by a charity dinner.

A big thank you to Ron and his team for their exceptional commitment. We look forward to our future collaboration and a long partnership.
